

## Clarification regarding date for dividend payment

Aspire Global informs that the day for payment of dividend is expected around May 25th. An incorrect date (May 16th) has been communicated at an investor forum (Avanza).

The funds for the dividend have been wired by Aspire Global, but due to various links between Malta Stock Exchange (Aspire Global is incorporated in Malta) to Euroclear PLC (a regulated Financial Market Infrastructure), there is a delay – compared to dividend payments for companies incorporated in Sweden. The delay is caused by technical procedures not yet completed, lengthening the process. Aspire Global will inform the exact date as soon as it has been received from Euroclear PLC.
