Goliath casino goes live on Aspire Global's platform

Goliath Casino is a new iGaming operator offering casino and sports betting from Aspire Global's upgraded iGaming platform. The new operator will become one of the first partners to offer Sportsbook and casino as part of the Goliath global brand.

Swedish Gaming executive Marcus Adler, previously at Leovegas, launched Goliath Casino on the Aspire Global gaming platform last Friday. Goliath Casino will offer casino and sports betting through Aspire Global's upgraded turnkey platform. The soon to be launched Sportsbook will include exclusive betting features, sports segmentation, Sports CRM lifecycle management and fully managed trading settings.

"Goliath Casino will become one of the first B2B-partners to launch Sportsbook and we look forward to the response from the players. The team behind Goliath Casino has extensive experience from the gaming industry and the Nordic market in particular, and we are confident in their ability to materialize this opportunity", says Jov Spiero, VP Sales at Aspire Global.

"We are excited about the launch of Goliath Casino and the chance to offer an exclusive gaming experience to the players. When searching for the best iGaming solution, we chose Aspire Global as they are the first service provider of a full turnkey solution including Sportsbook", says Marcus Adler, CEO and Co-Founder of Goliath Casino.
